

Quality Policy

Creative Materials Inc.'s Quality Policy is to strive to meet the demands and expectations of all customers. This is accomplished with a quality product that meets or exceeds all requirements; understanding the expectations and needs of all customers; and full employee involvement and empowerment.

Creative Materials, Inc., in order to initiate confidence in new customers, as well as provide security in our products with current customers, will establish and maintain an ISO 9001 compliant Quality Management System.

Creative Materials, Inc. will endeavor to seek ways to improve our services and sustain quality products.

Silvio Morano
President
